Mike,

Thanks much for your follow up on all of these items.

Take care,

Dee

Victoria –

I finished reviewing the NHPA write-up; I think it's very good and have mostly only minor edits, which I've uploaded to the Sharepoint site. I did have one question about potential ground disturbance within facilities' footprints, which I've marked. Whenever it's convenient for you, please give me a call and we can discuss that and any questions you might have. I'll be in tomorrow as well as next week.
